The timekeeper is additionally responsible for monitoring running time with a stopwatch & or wristwatch that has the same capability as a stopwatch. The stopwatch or wristwatch once started must not be stopped unless the game is scheduled for extended ice.
- d) The stopwatch or wristwatch is started at the scheduled game time and the clock is started for the 3-minute warm-up. The timekeeper must sound the buzzer at least 30 seconds prior to the end of the warm-up to prepare the teams for the start of the game.
- e) After the 3-minute or 5-minute warm-up (applies to 110 - 2 hour games), the timekeeper/scorer starts the time clock for the first period as soon as the referee drops the puck and then times the game strictly in accordance with the official time chart.

- p) **DELAYED GAMES:** If, for any valid reason i.e.: bad weather, arena staff, injury in previous game, etc. the start of the game is delayed, the lost time will be taken from the first period. The first period ends at the same running time mark as if there had been no delay. However, the game end time can be extended if an agreement is reached between coaches, the arena staff and/or a home association official. Both coaches must indicate their awareness of the delay and/or extension (including) acceptance or rejection) by signing the game sheet prior to the start of play. The game must be played and the “AA” & “A” League will make a ruling as to its outcome. It is the Timekeepers responsibility to insure that any changes to the published start time is duly noted on the game sheet. If a game starts late, and no agreement has been reached to change the official start time and end time, then the game must end at the originally scheduled time.
- q) **CLOCK FAILURE:** If the arena time clock fails, the referee must consult with the timekeeper to ensure that a stopwatch or wristwatch with stop capabilities is used to complete the timing of the game. (See timekeeper rules) If stop time cannot be recorded, the game will use running time with an adjustment to the penalties. Two (2) minute penalties become three (3); five (5) becomes seven (7). Ten (10) minute penalties will remain ten (10) minutes. Should the clock fail at any time during the penalty, the remaining time will be multiplied by 1.5 and served at running time under the appropriate penalty rule.

- ii. If after four games, neither team has attained five points, a fifth game must be played with additional time allotted for sudden victory overtime. The first overtime will consist of a ten minute stop time period. If no winner has been declared, a flood will take place followed by a twenty minute stop time period.

### **k) Format for Division Finals**

### **l) Expediting Completion of Playoff Games/Series**

- i. If in any series, it is the opinion of the league that time is of the essence, the league may require that the game be played on the first available ice regardless of where the game should normally be played. The normal home status rotation will remain in effect.
- ii. If in the opinion of the league, a series is being delayed because of unavailability of ice, the league may direct that a game be played on another ice surface. At the discretion of the league, this other surface could be in either of the competing team's arenas or on a neutral site. Ice costs will be borne by the designated home team.

## **19. PROTESTS**

**APPEALS:** (see Annex 1 for prescribed procedures) **the** appellant must submit all game protests or appeals to the League within 72 hours after the completion of the game that is in dispute. All appeals must be in writing, submitted to the Director of Discipline, of the “AA” & “A” League (Chairperson of the Appeal Committee). A fee in the form of a cheque payable to the OEMHL “AA” & “A” league in the amount of \$150.00 dollars must accompany the appeal letter. All letters of appeal must clearly state the grounds upon which the appeal is being made and what aspect of the game, in particular is being appealed. At its discretion, the league will determine whether or not the appeal will be heard by the league. Appeals of a frivolous or trivial nature will not be heard. The league will not hear “timing” protests unless the protesting team had a representative penalty box. Paid timekeepers are representatives of the League and not the association.
